EXPERIENCE

Customer Service Representative

MetLife — Remote | Dec 2025 – Present

- Handle 50–70+ inbound customer calls daily while maintaining quality and customer satisfaction standards.
- Assist customers with account inquiries, policy information, billing concerns, and service requests.

- Utilize multiple systems to document interactions, research customer issues, and resolve concerns accurately.
- Maintain strong communication and problem-solving skills while meeting quality assurance and performance goals.
- Provide empathetic customer service in a fast-paced call center environment.

Resolution Analyst Internship

Better Business Bureau (BBB) — Remote Aug 2025 – Dec 2025

- Investigated 20+ consumer complaints weekly, identifying patterns and facilitating timely dispute resolution.
- Communicated with businesses to facilitate dispute resolution and ensure compliance with BBB standards.
- Reviewed documentation and supporting evidence to assess case validity and determine appropriate outcomes.
- Maintained detailed case records while handling sensitive consumer information with confidentiality.
- Collaborated with team members to ensure timely case processing and quality assurance standards.

Receptionist / Front Desk Coordinator

IST Management @ Sherin and Lodgen LLP — Boston, MA | Jan 2025-Aug 2025

- Serve as the first point of contact for clients, attorneys, and visitors in a prestigious law firm.
- Manage phone systems, schedule meetings, and direct incoming calls and walk-ins professionally.
- Coordinate conference room bookings, video meetings, and event logistics.
- Maintain visitor logs, ensure building security procedures are followed, and assist with onboarding vendors and guests.
- Provide administrative support to legal staff, including document scanning, formatting, and delivery.

Office Services Associate

IST Management — Boston, MA | Dec 2024 – Jan 2025

- Handled all incoming and outgoing mail, packages, and courier deliveries.
- Monitored and restocked office supplies, maintained inventory levels, and coordinated vendor relations.
- Supported multiple departments with ad hoc administrative tasks and ensured confidentiality in document handling.

Math Tutor

Sylvan Learning Center — Remote/Boston, MA | Jun 2024 – Present

- Delivered one-on-one and small group tutoring in math subjects ranging from basic arithmetic to algebra, geometry, and pre-calculus.

- Assessed individual student progress, adapted teaching methods to meet diverse learning styles, and created custom lesson plans.
- Used digital tools and Sylvan curriculum to improve engagement and track performance.
- Collaborated with parents and academic directors to set learning goals and celebrate student success.

Retail Associate

Kohl's — Beverly, MA | Jun 2024 – Sep 2024

- Provided personalized customer assistance on the sales floor, at fitting rooms, and at checkout.
- Processed returns and exchanges efficiently while promoting Kohl's credit card and rewards programs.
- Maintained visual displays, restocked shelves, and supported seasonal inventory changes.
- Ensured loss prevention by monitoring suspicious activity and adhering to store policies.

Sales Assistant (Temporary)

Morph Management — Boston, MA | Oct 2023 – Nov 2023

- Supported the sales team by organizing client presentations, reports, and follow-ups.
- Maintained detailed client files, responded to inquiries, and coordinated appointments.
- Demonstrated strong communication and organization to help close deals and retain clients.
- Participated in internal strategy meetings and provided market research insights.

Printing & Marketing Associate

Staples — Peabody, MA | Jul 2023 – Oct 2023

- Operated professional printing equipment to fulfill high-volume and custom orders including business cards, brochures, and signage.
- Advised customers on design improvements, pricing, and promotional solutions.
- Maintained printing supplies, conducted basic troubleshooting, and ensured timely delivery.
- Handled POS transactions, processed orders, and maintained workspace cleanliness.

Store Associate

CVS Pharmacy — Beverly, MA | Jun 2022 – Sep 2022

- Greeted customers, assisted with product locations, and managed cash register operations.
- Promoted CVS rewards programs and processed coupons, debit/credit, and returns.
- Enforced store policies for restricted items and supported front-end loss prevention.

Crew Member

Dunkin' Donuts — Beverly, MA | Jun 2021 – Jun 2022

- Prepared and assembled food orders including sandwiches, soups, and beverages.

- Handled POS systems and provided accurate change while maintaining a friendly customer environment.
 - Ensured sanitation by cleaning prep stations, equipment, and public dining areas. •
- Trained new hires and worked as part of a fast-paced team to manage peak hours.

PROJECTS & ANALYTICAL EXPERIENCE

- **Data Analysis & Statistical Modeling Projects**

- Analyzed datasets using Excel and Python to identify trends and support decision-making.
- Built regression models and statistical analyses as part of Applied Mathematics coursework.
- Presented findings through written reports and data visualizations.
